

Dear Cub Parents,

Thank you for the opportunity to be your child's teachers. It has been a pleasure and privilege to see your children grow day by day and see how they have developed in learning. We really appreciate your great support throughout the school year. The last few weeks of Term 3 were full of exciting experiences. Kicking off with Hina Matsuri celebration on the 3rd of March. We made a beautiful Hina doll craft.

Our theme was "Our Senses". We explored the things around us using our sense of sight, smell, touch and hearing. We enjoyed performing various activities and experiments. The taste, smell, and hearing tests were very interesting as well as the touch test. We learned that some things are safe and unsafe to touch, dangerous or poisonous, therefore, we need to be always careful and aware.

The 11th of March was our graduation ceremony. We received our certificates of achievement. We were happy and proud of what we had accomplished. Our literacy and numeracy skills are well-developed and we are all ready to move to the next level. Keep shining Cubs!

We went to Futo Park in Shinagawa on March 15th. We had lots of fun going up and sliding down the pirate ship. We enjoyed running, jumping and playing in the sand. We made sandcastles and sand cakes. It was such a beautiful day!

On the last day of school, we joined our Pandacorn friends for egg hunting at the nearby park. We were overloaded with happiness as we found the eggs and got a surprise inside. We went back to school and received more presents from our teachers. After lunch, we had our favorite cooking class. We decorated the cupcakes with chocolates and sprinkles. We also crushed the oreos and mixed it in a cup of vanilla ice cream!. Yum! Yum! What a fantastic day to end the school year.

"Although our time has finished, our smiles will never fade. We won't forget the handprints left and memories we have made. To our dear Cub students, thank you so much for the joy, laughter and every moment you shared with us. You are all amazingly special to us. Please stay safe and enjoy the rest of the spring break. We are looking forward to seeing you back soon!

Kind regards,
The Cub Team
