

Dear Dolphin families,

It has been another very challenging year for all of us. But also full of amazing experiences and memories. We finished the school year with our "Around The World" unit in March. We have visited all continents and many different countries, environments, or biomes. We have met many natives and various interesting cultures, and spoke their languages. We also learned about the 3R's (reduce, reuse, recycle) and how to protect our precious planet Earth.

We went on our Term 3 field trip to the National Science and Nature Museum in Ueno Park and saw some real dinosaur bones. It was so awesome!

We then had our online graduation with our fabulous caps and gowns, and finished the school year with our "Spring Party".

In March, we celebrated many birthdays: Tarun, Nina, Souveet, Hans, Srihan and Mr. Scott.
Happy Birthday, friends!

Tarun also joined the Spotted Dolphins on March 18. Tarun, it was fun having you at our theme party!

Now, while we will miss kindergarten and our wonderful friends and teachers, we are looking forward to Grade 1.

Kind regards,
The Dolphin Team
