

Dear Dolphin Parents,

Welcome back to school after the summer holiday! We hope you all had an amazing and safe holiday. Our first theme for Term 2 was "5 Senses". Our five senses allow us to learn about and enjoy the world around us, as well as, keep us safe. This theme also provided an abundance of engaging science experiments and art activities.

We concluded this month with our "Mad Scientist" theme party, just in time to get us charged for our Science Week event. Students came to school dressed in white (such as a scientist, doctor, nurse, etc.) with a crazy hat and wacky glasses. The costumes were so original, and we made slime and "Mad Scientist Floats". In September we also learned about Tsukimi or Otsukimi, meaning, "moon-viewing": a Japanese festival honoring the autumn moon.

We had six Dolphin birthdays this month: Jiyu, Vihaan, Nikshith, Rian, Yaffa and Dhiya. Happy Birthdays!

Kind Regards,

Dolphin Team
