

# UIA Newsletter December

Dear Dolphin Families,

It is really hard to believe, but December is already here. We enjoyed the end of the year together and it was absolutely fantastic!

Our hard work and all preparation paid off and after a few years of hiatus, Dolphins showed everyone their dancing skills on stage. We were extremely happy to be able to share these precious moments all together as a community, as one big family.

The fun did not stop there though, we were soon to be treated to our first Winter Fair full of games and fun, completely managed by grader students. It was a blast! And then the moment came when Santa Claus visited us as well. Poor Santa lost all his presents, luckily Dolphins immediately went into action and found the lost presents together. Our Christmas party continued with a raffle, games, songs, and a yummy cooking class. There was a lot to do and now we are all ready for a well-deserved winter break.

Please enjoy it in good health and with your loved ones. Thank you for the wonderful year 2022 and we look forward to seeing you again in 2023, ready for new adventures! December Birthdays: Anchana, Ayaan, Vanya & Zimeng  
Warm Regards,  
Dolphin Team
