

Dear Pandacorn parents,

Term 2 went by so fast. I remember us talking about our Summer vacation like it was yesterday.

We kicked off the last month of the term with our Winter Concert. After 3 long years, we finally got the opportunity to hold the event on stage with our wonderful community. What a show it was! The students nailed it! A performance to be remembered. Well done evervbody!

Followed by that was Winter Whimsical. Grade 10 enterprise organized a fair and collected money for charity. We really enjoyed their games and the pictures they took were just so cute!

The science project for December was a rock mandala. A rock mandala is a creation made with rocks, and other objects we find in nature; it is usually shaped like a circle. We used our creativity and enjoyed this activity!

For art, we made a Christmas book. We painted a snowflake, decorated a Christmas tree, wrote a letter to Santa, and even made "the best present ever".

In December, we celebrated 3 birthdays: Shlok, Pragnay, and Yoichiro. Happy birthday everyone!

On the last school day, we had a Christmas party in pajamas. We had a special morning with Mr. Taylor and none other than Santa Claus! He came to give us presents but lost his in the. We had to go on a scavenger hunt to find our gifts! We also decorated party poppers and blew out some confetti. After lunch, we made a cookie house. We used whipped cream to put the house together.

Term 2 was so much fun and we look forward to seeing you back in January. Merry Christmas and Happy New Year! Kind regards,

The Pandacorn Team
