

Dear Dolphin Parents,

February has come and gone, and what a month it has been! As winter slowly ends, we can hardly contain our excitement for the arrival of spring. But before we look ahead, let's take a look back at all the fun we had this month.

Our theme this month was "Around the World," and we had a great time visiting different continents and countries. In our Oxford English textbook, we read a fascinating story called "Off we go to Mexico," which we thoroughly enjoyed. We even made our own ponchos as a fun and interactive way to learn about Mexican culture. But Mexico wasn't the end of our journey. We also explored Egyptian history by making our own pharaoh crowns and necklaces. We covered a lot of ground this month, but these two countries definitely stood out.

In math, we continued to work on our addition and subtraction skills and even got a sneak peek at multiplication and division by two and ten. We are making significant progress in this subject and we are proud of how far we have come.

And let's not forget our epic theme party at the end of the month! We made our own passports and had a cooking class where we made and tasted delicious tacos.

Last but not least, we have started a new project called Storytelling Show and Tell. This is a fantastic opportunity for students to read their favorite books or share their own stories with the whole class. All in all, it has been an incredible month and we hope your child has had as much fun as we have, and we can't wait to see what March has in store!

We had three Dolphin birthdays this month: Deepika, Miraya, and Musashi. Happy Birthday!

Kind Regards,
Dolphins
